## REVIEW OF OUR SPORTS ACTIVITY CAMP AT LEA VALLEY PRIMARY SCHOOL

Monday 4<sup>th</sup> June 2018

Dear Parents and Carers,

During the half term last week, as you know we successfully ran a two day sports camp on Tuesday 29<sup>th</sup> and Wednesday 30<sup>th</sup> May 2018, which was led by Mr Ahmed and Coach Mario. This was open to the children at the school to take part in a variety of sports and activities which was achieved. We also implemented healthy eating facts during our 20 minutes lunchtime break, providing refreshments and fruits. We would like to thank the children for their exemplary behaviour during the two days and enforcing the schools motto of 'determination to succeed', especially when trying out new sports and also the parents for their wonderful support. Here are some of the key points we covered and found very useful.

Creatively designed activities helped improve teamwork amongst various age groups, build confidence and keeping active all while enjoying themselves.

Our Camp Superstar over the two days was awarded to Ashard Yr 6 (Well Done).

Delivered sports such as Archery, Goalball, Tennis, Dodgeball, Golf, Athletics, Hand-Eye co-ordination games along with many more games to work on key skills such as balance, agility and reaction.

We had over 30 different children participating at the camp over the two days, with a 100% response rate for returning again.

**Feedback from parents:**  
'Love that it is run by staff who the kids are familiar with'.  
'We would like this to become a regular thing'.  
**Feedback from kids:**  
'Why is it only 2 days, can we come tomorrow'  
'I am coming back to the next camp!'

Thank you,

*N Ahmed*

Ended with a mini presentation, with trophies or stickers given to all participants.

**Comment of the Camp:**  
**Out of 10 I rate the camp...1050!!!**
